

MELLIN'S is baby's ideal Food. It requires no cooking, and can be prepared to perfection at once.

Mixed to directions, with fresh cow's milk, Mellin's Food forms a complete and healthful diet, as exactly suitable for young children, invalids, and aged persons, as for the new born baby.

Let us send you a large Free Sample, together with a most interesting Manual on the "Care of Infants in India,"

gladly sent on application to—
